Meeting called to order by President Bob Duke.

- I. Review current Ennoblement program and the recommendations of the Ennoblement Committee on new inspection and point rules for the Ennoblement Program. Recommendations to be included in the Ennoblement and Inspection Draft.
  1. Implementation of a two inspection process for Ennoblement recommended. It was recommended that this process be effective on October 1, 2004. Prior to that date inspections will be conducted under the current inspection regulations (1 inspection). Instances in which an inspector may not inspect animals were formulated and defined.
  2. ABGA will not be responsible for travel expenses on inspectors. It will be the responsibility of the person requesting the inspections to reimburse for any expenses incurred.
  3. A fee of \$10.00 per inspection is recommended.
  4. Changes and/or clarifications are to be presented in draft form at the Board of Directors meeting August 7, 2004.

Meeting adjourned.
