Office in Progress

The new ABGA Office is moving forward. Construction will begin in August and a target date for completion is July 2019. The office staff is looking forward to their new environment. Stay tuned for progress updates!

ABGA Board Meeting

The July meeting was a full agenda for the ABGA Board. Election of officers and executive committee began the weekend. There was much discussion on the National Show along with the JABGA Regional Show program. Committee chairs were announced. Lary Duncan updated the board on the percentage buck registration and the JABGA Ennoblement program. Other discussions included the judges' certification course, an upcoming survey, JABGA age change, sanctioned shows, and procedures to be used for re-tattoo of animals.

Percentage Registration

There is a new opportunity to register percentage bucks and does. We had a target date of August 15 for this to begin. Due to some programming issues, this date may change. Please stay tuned to the website and our Facebook page for an announcement of when the database is ready to accept registering of those animals.

JABGA Regional Show Program

Youth will have the opportunity to participate in 7 regional show weekends leading up to the 2019 National Show. Dates and locations will be announced when they are confirmed. The JABGA Board has also been revising the rules for the contests that are a part of the regional program. We are looking forward to another great experience for our youth!

2019 National Show Classes

The 0-12-month animals exhibiting in the ABGA and JABGA show will be broken after check-in based on birthdate. Stay tuned for more information regarding the schedule and events.

Judge's Certification Course

The next course for new judges has been postponed to the Fall of 2019. Location and other details will be announced when a location is secured.
