AMERICAN BOER GOAT ASSOCIATION

1. When an animal is owned by a company, ranch, farm, club, corporation, university or school, family or partnership (of related or unrelated persons), or any entity other than an individual, this Association must have an authorization form on file to indicate who may sign documents for that entity. Written authorization is also required when an individual owner appoints another individual to sign in his or her behalf. (Forms are available upon request from the ABGA office at no charge.)
2. Joint ownership must file an AUTHORIZED AGENT FOR INDIVIDUAL ANIMAL form with the Association for protection of all parties concerned.
3. In the case of a minor child (younger than 18 years of age), the Association requires a statement from the legal guardian or parent giving the birth date of the child and designating the person(s) signing in behalf of the minor child.
4. When the owner of an animal is deceased, the Association must have legal documentation on file appointing the agent or representative for the estate (Letters of Administration, etc.) and bearing the original certification or seal of "the Clerk of the Probate Court." In the event there was not a formal probate of the estate, an Affidavit of Heirship must be completed by the heirs and notarized. Forms are available upon request from the ABGA office at no charge.
5. Authorization of an agent may be canceled by written notification by record owner. Such termination of authorization will take effect on date received in the Association office.

J. DUPLICATE REGISTRATION CERTIFICATE

1. A duplicate registration certificate is a new registration certificate when the original has been lost or destroyed. It is issued when sufficient proof of loss and proper identification of the goat has been submitted to the Association office. The duplicate registration certificate will be denoted "Duplicate" and the original will become void.
2. The Association may issue a duplicate registration certificate if the current record owner or authorized agent files the proper affidavit, completed in all respects and stating the circumstances under which the original registration certificate was lost or destroyed (duly notarized) and pays the required fee of five dollars (\$5.00). The duplicate registration certificate will be denoted "Duplicate" and the original will become void.
3. In regard to involuntary transfer of title situations, including but not limited to court judgments or security interest foreclosure, when it is proven to the Association's satisfaction with legal court documents, requirement of affidavit of the record owner may be waived and the current owner deemed eligible for a duplicate registration certificate.
4. The fee for DUPLICATE REGISTRATION CERTIFICATE is five dollars (\$5.00).

K. REPLACEMENT OR CORRECTION OF REGISTRATION CERTIFICATE

A replacement registration certificate or correction is a new registration certificate which is issued when the original certificate is in existence but has been defaced or wrong information is on the original. The original certificate must be surrendered to the ABGA office.
