- 2.) The breeding classes will use the birth dates, as listed on the registration certificate, to determine the class divisions. The show date will be the base date for computing all ages.
- 3.) Original registration certificates are required, though a copy of a Registration Application, stamped with the date received by one of the listed associations, can be accepted for kids less than 3 months of age.
- 4.) All animals must be in place, and registration papers checked in with the show secretary, by 8-9 a.m. the day of the show (Friday's Show 1-3p.m.). Pen availability will be on a first come basis.
- 5.) If entries were received within the appropriate time (on or before the postmarked deadline) then two additional animals can be added at the regular entry fee. If more than two animals need to be added after the postmark deadline then **double fees** will be charged. Substitutions are allowed. **No refunds.** There will be a \$20.00 service charge for NSF checks.
- 6.) All animals must be healthy. No visible signs of abscesses or other contagious diseases (pinkeye, soremouth, ringworm etc.) will be allowed. Any unhealthy or questionable animals checked by a veterinarian will be at the owner's expense. **The TSGPA reserves the right to excuse any animal of questionable health.**
- 7.) All out of state animals must have health papers (including recipient does) and proper tests needed by the state of Kentucky. **All out of state exhibitors must be at the fairgrounds at noon on Friday or 8a.m. on Saturday/Sunday to have health papers checked by a veterinarian or they will not be able to show, and will forfeit all entry fees.** No health papers are required for Ohio goats.
- 8.) All goats must comply with Kentucky scrapie rules. Questions: contact the Kentucky State Veterinarian at (502) 564-3956
- 9.) Tri-State Goat Producers and/or this fairground will not be held responsible for loss, damages or accidents.
