Interview with Catherine Riley at the NAILE

Catherine Riley is the Assistant Manager at the North International Livestock Ex. They brought the junior Show to the NALIE to increase the numbers and to have a junior show in the fall months before the kids shut down for the winter. There were 250 goats entered and 210 goats shown. That is a great number of goats! Catherine Riley is trying to increase the number of juniors that show and have

increased in numbers in the open show. This will also help the association. This year the NAILE was a test to see how many invivudes agees 18-21 would show. We did see an increase this age group. The only thing that Catherine would like to see as a change is the possibility as adding a JABGA showmanship to the breeding show.

Meet a Board member

Grace Coulston: Hi my name is Grace Coulston. Currently I am 17 years old, this August I will be turning 18 years old. My family and I live in a very rural community, we have raised meat goats for eleven years. Sorghum Hollow Boer Goats is owned and operated by my family and I. The Boer goats have been my passion since I was five. It only took a couple of years for the love of the Boer goat to grow throughout the entire family. At my first opportunity to become an active 4-H member I took it! I held the

position of President in my 4-H club for two years. My Freshman year in High school I became an active member in our Waitsburg chapter FFA and currently help plan and set up events for my FFA Chapter. When I am not showing or working with my goats I am part of the Waitsburg cheerleading team. I am so thankful to be a part of an organization that gives me such inspiration for our future. I look forward to serving as the 2019 Secretary.

Jacob Doedtman:- Hi, I'm Jacob Doedtman. I'm from Beecher City, IL and currently a junior at Beecher City Jr. Sr. High School. I have been raising goats my whole life and have been showing boer goats for ten years. I started showing boer goats competitively when my family was introduced to the ABGA. Ever since I have been striving to better my herd and working to be more competitive in the show ring. I am heavily involved in 4-H and FFA. I am currently serving as my chapters reporter and involved in multiple contest though FFA. I also serve as the Junior Illinois Meat Goat Producers treasurer.

Jacob Tipton:- Hello, my name is Jacob Tipton, and I am honored to be representing Area 4 on the JABGA Board of Directors. I am 20 years old and am a Sophomore at Middle Tennessee State University majoring in Agri-business and minoring in Agriculture Education. I am involved in my college's agriculture program and hold officer positions in both the Block and Bridle club and Collegiate FFA club. I am also on the MTSU School of Agriculture Ambassadors team. Furthermore, I am the Tennessee Middle Region Treasurer for the Young Farmers and Ranchers Organization. Although I am very involved with other organizations and clubs, serving on the JABGA Board of Directors is my priority and passion. I am this year's Junior National and Regional Committee Show Chair, and I am

serving on several other committees on the Board of Directors. I have been breeding and showing registered Boer goats since 2015, and I am extremely dedicated to the Boer goat industry! A couple of my passions are fitting goats along with learning about genetics and reproduction services. My hope is that I make a positive impact in the industry's youth just as mentors have impacted me!

Something new you need to know

At Nationals this year we are going to do a pen decorating contest that JABGA members can participate in it. All you have to do is decorate your pens and then the JABGA Board of Directors will come and judge them to see how you guys did!
