

Online Live - Temporary Payment Solution

On March 9, 2020, the payment gateway service provider currently being used had updates done that made the service no longer compatible with the platform that the current ONLINE LIVE is established on.

In order to service our members in a more efficient way, a Temporary Payment Solution has been established to receive paperwork in a comparable time. There are a few extra steps that the member will have to do and a 24 to 72 hour waiting period before the temporary certificates may be available. Below are instructions on how to proceed.

1. Once all transactions are completed, make note of the balance owed.
2. Log out of Online Live
3. Follow instructions on *The Temporary Payment Procedure* listed below.
4. Make note of date of confirmation email
5. Schedule:
 - a. Credit Card Submitted and Cleared on Monday - Posted to Member Account Tuesday
 - b. Credit Card Submitted and Cleared on Tuesday - Posted to Member Account Wednesday
 - c. Credit Card Submitted and Cleared on Wednesday - Posted to Member Account Thursday
 - d. Credit Card Submitted and Cleared on Thursday - Posted to Member Account Friday
 - e. Credit Card Submitted and Cleared on Friday - Posted to Member Account Monday
6. On corresponding day, log in to Online Live
7. Click on pending transactions
8. Verify if there is a credit on the account
9. If yes, then pay using the credit. If not, then try the next business day.
10. Temporary certificates will be available by clicking on Reporting and then Output on the tool bar on top.

******Please Note: It is the members responsibility to log into the account and submit the order. All monies posted will be applied to balances owed before newer work is processed.***

A timeframe of when this issue will be resolved has not been established. We appreciate your patience and will inform you all of updates as they occur.
